Self-adhesive monitor Memo board with business card holder

Self-adhesive monitor Memo board with business card holder

- board recommended for computer monitors
- permits to stick self-adhesive notes and memos
- made from transparent PVC
- safe self-adhesive strip allows to attach the board
- to the monitor (doesn’t leave traces of glue)
- two overlaps on the top and bottom of the board enable to insert business cards or a sheet of paper with notes, even in A4 format
- useful while copying a text onto the computer
- best help to keep notes and memos neatly organized around your monitor
- dimensions 80 x 300 x 1.5 mm
