Hello and welcome to Kikkerland's 2023 Spring catalog. The Kikkerland crew worked extra hard this season, and I am proud to say our boat survived another year. As we continue to bubble forward, we hope you will enjoy the latest ideas and designs we created for this fast-changing world.

At Kikkerland we remain focused on creativity and sustainability. Our design and packaging are growing to be increasingly plastic-free, and we continue to migrate our paper and wood materials to be FSC certified. All while creating new ideas that make sense.

Every year and every new season you must adopt a new "vuja dé" mindset. "Vuja dé" refers to seeing familiar things in a fresh light. Look around you and notice what is changing. How can you best use this perspective to transform ideas into something creative that make sense? We are not exactly sure, but some say that you learn best when you dream.

We thank our in-house design team, **KDT**, for dreaming a lot. Among many things they created is **KOBE**, a line of products for dogs, named of course after my dog Kobe. **KOBE** supports the International Street Dog Foundation, and this Spring we are introducing seven new **KOBE** products; a Beach Day Kit, Take Your Dog to Work Kit, Road Trip Kit, Identification Charm and two plush toys. Kobe makes everyone happy, and he loves to play.

KDT designed most of our new products this season. One of my favorite items are our new laundry buddies. Throw these little black monsters in your laundry and they will catch all the hairs and lint.

KIDOKI is a line of products for children ages 3+. This wonderful product range is designed by **Goodlines** from the UK. The purpose is to provide something enjoyable for kids while improving their cognitive and social abilities. This Spring, **KIDOKI** has six new items: a Mini Mushroom Bowling Set, Dizzy Monster Spinning Tops, Food Flying Discs, a new take on Bingo and more.

HUCKLEBERRY is designed by our Dutch friends **Chris Koens** and **Ramon Middelkoop**. This ever-growing line of products encourages children to play outside and be healthy by enjoying the benefits of nature. **HUCKLEBERRY** supports the Children & Nature Network, an organization that has the same mission to connect children and nature. Chris and Ramon designed four new products: A kit to cast footprints with plaster, a cool Boomerang that folds in your pocket, a kit to Make Your Own Perfume from flowers/herbs, and for the artists, they made a beautiful small wood box with paint and special watercolor paper. **HUCKLEBERRY** is proven to work and playing outside is fun and healthy for all of us.

Hector Serrano from Spain created **CRAFTERS**, a series of DIY items. We have two new products: Make Your Own Scrunchie and DIY Felt Flower Bouquet. Hector also created two Memory Games for Great Woman Athletes and Writers.

Gardening is not only good for your health, but it is good for the soul. Ste from **WITH Creative** developed a new Leaf Cleaner for your plants, so it is easier for them to breathe and easier for you to clean. We are especially proud of this one as it uses Kikkerland's patented technology with a magnetic hinge. In total we introduced six new gardening products: a Garden Hydrometer, a Seeding Ruler & Dibber, a Ladybug house, a Tea Making Kit, a Terracotta Watering Carrot, and a fun DIY Weather House.

INKERIE designed by **Goodlines**, is our latest new sub-brand of stylish & purposeful stationery items. It uses nostalgia and functionality for the professional organized doodlers & thinkers. We are happy and excited about this stylish new stationery line. The first **INKERIE** products consist of an On-the-Go Stationery Set, Mechanical Pen & Pencil, Weekly Planners, a cool Desktop Planner with tabs and magnets, a good-looking Desk Jotter Pad & Pen, Memo Magnets, and a fun Metal Ruler. All the paper and packaging are FSC.

Thank you everyone for contributing and for supporting our cause and I look forward to seeing you soon.

Jan van der Lande

Hallo und herzlich willkommen zum Frühjahrskatalog 2023 von Kikkerland. Die Kikkerland-Crew hat in dieser Saison besonders hart gearbeitet und ich bin stolz darauf, dass unser Boot ein weiteres Jahr überlebt hat. Wir hoffen, dass Ihnen die neuesten Ideen und Designs, die wir für diese sich schnell verändernde Welt entwickelt haben, gefallen werden.

Bei Kikkerland konzentrieren wir uns weiterhin auf Kreativität und Nachhaltigkeit. Unser Design und unsere Verpackungen werden zunehmend plastikfrei, und wir fahren fort, unsere Papier- und Holzmaterialien mehr und mehr von FSC-zertifizierten Unternehmen zu beziehen. Und das alles bei der Entwicklung neuer, sinnvoller Ideen.

Jedes Jahr und jede neue Saison müssen Sie eine neue „Vuja dé“-Einstellung annehmen. „Vuja dé“ bedeutet, vertraute Dinge in einem neuen Licht zu sehen. Schauen Sie sich um und bemerken Sie, was sich verändert. Wie können Sie diese Perspektive am besten nutzen, um Ideen in etwas Kreatives und Sinnvolles zu verwandeln? Wir sind uns nicht ganz sicher, aber manche sagen, dass man am besten lernt, wenn man träumt.

Wir danken **KDT**, unserem hauseigenen Designteam, für die vielen Träume. Sie haben unter anderem **KOBE** kreiert, eine Produktlinie für Hunde, die natürlich nach meinem Hund Kobe benannt ist. **KOBE** unterstützt die International Street Dog Foundation und stellt in diesem Frühjahr sieben neue **KOBE**-Produkte vor: ein Beach Day Kit, ein Take Your Dog to Work Kit, ein Road Trip Kit, einen Identifikationsanhänger und zwei Plüschtiere. Kobe macht alle glücklich, und er liebt es zu spielen.

KDT hat die meisten unserer neuen Produkte für diese Saison entworfen. Einer meiner Lieblingsartikel sind unsere neuen Wäsche-Spezis. Werfen Sie diese kleinen schwarzen Monster einfach in Ihre Wäsche und sie fangen alle Haare und Flusen auf.

KIDOKI ist eine Reihe von Produkten für Kinder ab 3 Jahren. Diese wunderbare Produktreihe wurde von **Goodlines** aus dem Vereinigten Königreich entworfen. Ziel ist es, den Kindern etwas zu bieten, das ihnen Spaß macht und gleichzeitig ihre kognitiven und sozialen Fähigkeiten erweitert. In diesem Frühjahr bietet **KIDOKI** sechs neue Produkte an: ein Mini Mushroom Bowling Set, Dizzy Monster Spinning Tops, Food Flying Discs, eine neue Bingo-Version und mehr.

HUCKLEBERRY wurde von unseren niederländischen Freunden **Chris Koens** und **Ramon Middelkoop** entworfen. Diese ständig wachsende Produktlinie regt Kinder dazu an, im Freien zu spielen und die Vorteile der Natur für ihre Gesundheit zu nutzen. **HUCKLEBERRY** unterstützt das Children & Nature Network, eine Organisation, die es sich zur Aufgabe gemacht hat, Kinder mit der Natur in Verbindung zu bringen. Chris und Ramon haben vier neue Produkte entworfen: Einen Bausatz, um Fußabdrücke mit Gips zu verewigen, einen coolen Bumerang, der sich in der Tasche zusammenfalten lässt, ein Bausatz, um aus Blumen/Kräutern ein eigenes Parfüm herzustellen, und für die Künstler haben sie eine wunderschöne kleine Holzkiste mit Farben und speziellem Aquarellpapier entwickelt. **HUCKLEBERRY** wirkt nachweislich und das Spielen im Freien macht Spaß und ist gesund für uns alle.

Hector Serrano aus Spanien schuf **CRAFTERS**, eine Serie von Heimwerkerartikeln. Wir haben zwei neue Produkte: Make Your Own Scrunchie und DIY Felt Flower Bouquet. Hector hat auch zwei Gedächtnisspiele für große Sportlerinnen und Schriftstellerinnen entwickelt.

Gartenarbeit ist nicht nur gut für die Gesundheit, sondern auch gut für die Seele. **STE** von **WITH Creative** hat einen neuen Laubreiniger für Ihre Pflanzen entwickelt, damit sie leichter atmen können und Sie sie leichter reinigen können. Auf dieses Modell sind wir besonders stolz, da es die patentierte Technologie von Kikkerland mit einem Magnetscharnier verwendet. Insgesamt haben wir sechs neue Gartenprodukte vorgestellt: ein Gartenhydrometer, ein Aussaat- und Pflanzlineal mit Setzholz, ein Marienkäferhaus, ein Teeset, eine Terracotta-Bewässerungsmöhre und ein lustiges Wetterhaus zum Selberbauen.

INKERIE, entworfen von **Goodlines**, ist unsere jüngste neue Untermarke für stilvolle und zweckmäßige Schreibwaren. Sie setzt auf Nostalgie und Funktionalität für die professionell organisierten Doodler & Denker. Wir freuen uns sehr über diese stilvolle neue Schreibwarenlinie. Die ersten **INKERIE**-Produkte bestehen aus einem Schreibwaren-Set für unterwegs, einem Kugelschreiber und Druckbleistift, einem Wochenplaner, einem coolen Tischplaner mit Registerkarten und Magneten, einem attraktiven Notizblock mit Stift, Memo-Magneten und einem lustigen Metalllineal. Das gesamte Papier und die Verpackung sind FSC-zertifiziert.

Ich danke Ihnen allen für Ihren Beitrag und Ihre Unterstützung für unsere Sache und freue mich darauf, Sie bald zu treffen.

Bonjour, bienvenue au catalogue printemps 2023 de Kikkerland. L'équipage de Kikkerland a travaillé très dur cette saison et je suis fier que notre navire ait encore survécu cette année. Alors que nous continuons à avancer, nous espérons que vous apprécierez nos dernières idées et conceptions, suivant le rythme de ce monde en évolution rapide.

Chez Kikkerland, nous restons concentrés sur la créativité et la durabilité. Nos conceptions et nos emballages s'orientent de plus en plus vers le sans plastique, et nous continuons à migrer vers du papier et du bois certifiés FSC, le tout avec de nouvelles idées qui ont du sens.

Chaque année et chaque nouvelle saison, on s'adapte à un nouveau "vuja dé". "Vuja dé", c'est comme voir des choses familières d'une nouvelle manière. On regarde autour de soi et on observe ce qui a changé. Comment peut-on utiliser au mieux cette perspective pour transformer idées en quelque chose de créatif qui a du sens ? Nous n'en sommes pas sûrs, mais certains disent qu'on apprend mieux lorsqu'on rêve.

Nous remercions notre équipe de conception interne, **KDT**, d'avoir beaucoup rêvé. Parmi les nombreuses choses qu'ils ont créées, il y a **KOBE**, une gamme de produits pour chiens, qui porte, évidemment, le nom de mon chien Kobe. **KOBE** soutient l'International Street Dog Foundation, et ce printemps, nous présentons sept nouveaux produits **KOBE** : une trousse "un jour à la plage", une trousse "le chien au travail", une trousse voyage en voiture, une breloque d'identification et deux jouets en peluche. Kobe rend tout le monde heureux et il adore jouer.

KDT a conçu la plupart de nos nouveaux produits cette saison. Un de mes articles préférés sont nos nouveaux copains de lessive. Jetez ces petits monstres noirs dans votre lessive et ils attraperont tous les poils et les peluches.

KIDOKI est une ligne de produits pour les enfants à partir de 3 ans. Cette merveilleuse gamme de produits est conçue par **Goodlines** du Royaume-Uni. Le but est de fournir quelque chose d'agréable aux enfants tout en améliorant leurs capacités cognitives et sociales. Ce printemps, **KIDOKI** propose six nouveautés : un mini jeu de bowling aux champignons, des toupies **Dizzy Monster**, des disques volants alimentaires, une nouvelle version du bingo et plus encore.

HUCKLEBERRY est conçu par nos amis néerlandais **Chris Koens** et **Ramon Middelkoop**. Cette gamme de produits, en plein développement, encourage les enfants à jouer dehors et à vivre une vie saine en profitant de toutes les bonnes choses que la nature nous offre. **HUCKLEBERRY** soutient le **Children & Nature Network**, une organisation qui a la même mission : connecter les enfants et la nature. **Chris** et **Ramon** ont créé quatre nouveaux produits : Un kit qui vous permet de mouler des empreintes de pattes dans du plâtre, un boomerang cool pliable qu'on peut mettre dans sa poche, un kit pour fabriquer son propre parfum à partir de fleurs/herbes, et pour les artistes ils ont créé une belle petite boîte en bois avec peinture et papier spécial aquarelle. **HUCKLEBERRY** a fait ses preuves et d'ailleurs, jouer dehors n'est-il pas amusant et sain pour nous tous ?

Hector Serrano d'Espagne a créé **CRAFTERS**, une série d'articles de bricolage. Nous avons deux nouveaux produits : Faites votre propre chouchou et créez un bouquet de fleurs en feutre. **Hector** a également conçu deux jeux de mémoire sur les grandes femmes du sport et les grandes femmes écrivains.

Le jardinage n'est pas seulement bon pour la santé, mais c'est aussi bon pour l'âme. **STE** de **WITH Creative** a développé un nouveau nettoyeur de feuilles pour vos plantes, il est donc plus facile pour elles de respirer et plus facile pour vous de nettoyer. Nous sommes particulièrement fiers de ce produit, car il utilise la technologie brevetée de Kikkerland avec une charnière magnétique. Au total, nous avons introduit six nouveaux produits de jardinage : un hydromètre pour plantes, une règle de semis et plantoir, une maison de coccinelle, un kit de fabrication de thé, une carotte d'arrosage en terre cuite et une amusante maison météo bricolage.

INKERIE conçu par **Goodlines**, est notre dernière nouvelle sous-marque d'articles de papeterie élégants et utiles. Des articles combinant nostalgie et fonctionnalité, pour les gribouilleurs et penseurs bien organisés. Nous sommes heureux et enthousiasmés par cette nouvelle ligne de papeterie élégante. Les premiers produits **INKERIE** se composent d'un ensemble de papeterie à emporter, d'un stylo mécanique et d'un crayon, d'agendas hebdomadaires, d'un planificateur de bureau cool avec onglets et aimants, d'un joli bloc-notes et stylo de bureau, d'aimants mémo et d'une règle en métal amusante. Tous les papiers et emballages sont certifiés FSC.

Merci beaucoup à tous pour vos contributions et pour votre soutien à notre cause et j'espère que nous pourrions nous rencontrer bientôt.

Hola y bienvenidos al catálogo de primavera 2023 de Kikkerland. El personal de Kikkerland ha trabajado muy duro esta temporada y me enorgullece decir que nuestro barco ha sobrevivido un año más. Mientras mantenemos nuestro rumbo hacia adelante, esperamos que disfrutes de las últimas ideas y diseños que hemos creado para este mundo en rápida evolución.

En Kikkerland seguimos centrados en la creatividad y la sostenibilidad. Nuestros diseños y packaging son cada vez más libres de plástico, y seguimos migrando nuestros materiales de papel y madera para que cuenten con la certificación FSC. Todo ello mientras creamos nuevas ideas que tengan sentido.

Cada año y cada nueva temporada debe adoptar una nueva mentalidad «vuja dé». «Vuja dé» se refiere a ver las cosas familiares bajo una nueva luz. Mira a su alrededor y observa lo que está cambiando. ¿Cómo puedes utilizar mejor esta perspectiva para transformar las ideas en algo creativo que tenga sentido? No estamos exactamente seguros, pero algunos dicen que se aprende mejor cuando se sueña.

Damos las gracias a nuestro equipo interno de diseño, **KDT**, por soñar mucho. Entre las muchas cosas que han creado está **KOBE**, una línea de productos para perros, llamada así, por supuesto, en honor a mi perro Kobe. **KOBE** apoya a la Fundación Internacional para Perros de la Calle, y esta primavera presentamos siete nuevos productos **KOBE**: un kit para el día de playa, un kit para llevar al perro al trabajo, un kit para viajes por carretera, un amuleto de identificación y dos peluches. Kobe hace feliz a todo el mundo y le encanta jugar.

KDT ha diseñado la mayoría de nuestros nuevos productos esta temporada. Uno de mis artículos favoritos son nuestros nuevos compañeros para la colada. Echa estos pequeños monstruos negros en tu colada y atraparán todos los pelos y pelusas.

KIDOKI es una línea de productos para niños mayores de 3 años. Esta maravillosa gama de productos es un diseño de **Goodlines**, del Reino Unido. El propósito es dar algo divertido a los niños a la vez que mejorar sus capacidades cognitivas y sociales. Esta primavera, **KIDOKI** presenta seis novedades: un minijuego de bolos con forma de seta, peonzas con forma de monstruo mareado, discos voladores de comida, una nueva versión del bingo y mucho más.

HUCKLEBERRY ha sido diseñada por nuestros amigos holandeses **Chris Koens** y **Ramón Middelkoop**. Esta línea de productos en constante crecimiento anima a los niños a jugar al aire libre y estar sanos disfrutando de los beneficios de la naturaleza. **HUCKLEBERRY** apoya a **Children & Nature Network**, una organización que tiene la misma misión de conectar a los niños con la naturaleza. **Chris** y **Ramón** diseñaron cuatro nuevos productos: Un kit para moldear huellas con escayola, un bumerán muy chulo que se pliega en el bolsillo, un kit para hacer su propio perfume con flores/herbas, y para los artistas, hicieron una preciosa cajita de madera con pintura y papel especial de acuarela. Está demostrado que **HUCKLEBERRY** funciona y que jugar al aire libre es divertido y saludable para todos.

Héctor Serrano, de España, ha creado **CRAFTERS**, una serie de artículos de bricolaje. Tenemos dos productos nuevos: Haz tu propio coletero y ramo de flores de fieltro para hacer. **Héctor** también creó dos Juegos de memoria para grandes deportistas y escritores.

La jardinería no solo es buena para la salud, sino también para el alma. **STE** de **WITH Creative** ha desarrollado un nuevo Limpiador de hojas para tus plantas, de modo que sea más fácil para ellas respirar y más fácil para ti limpiarlas. Estamos especialmente orgullosos de este, ya que utiliza la tecnología patentada de Kikkerland con una bisagra magnética. En total, presentamos seis nuevos productos de jardinería: un Hidrómetro de jardín, una Regla de siembra y plantador, una Casa para mariposas, un Kit para hacer té, una Zanahoria de riego de terracota y una divertida Casita del tiempo para montar.

INKERIE, diseñada por **Goodlines**, es nuestra última submarca de artículos de papelería con estilo y utilidad. Utiliza la nostalgia y la funcionalidad para los garabateadores y pensadores profesionales organizados. Estamos contentos y entusiasmados con esta nueva y elegante línea de papelería. Los primeros productos **INKERIE** consisten en un set de papelería para llevar, bolígrafo y portaminas, agendas semanales, una genial agenda de escritorio con pestañas e imanes, un bonito bloc de notas y bolígrafo, imanes para notas y una divertida regla metálica. Todo el papel y los envases son FSC.

Gracias a todos por contribuir y por apoyar nuestra causa y espero veros pronto.

Olá e bem-vindo ao catálogo Primavera 2023 da Kikkerland. A equipa da Kikkerland trabalhou muito nesta estação e tenho orgulho de dizer que o nosso barco sobreviveu mais um ano. À medida que continuamos avançando, esperamos que goste das ideias e designs mais recentes que criamos para este mundo em rápida mudança.

Na Kikkerland, continuamos focados na criatividade e na sustentabilidade. Os nossos designs e embalagens estão cada vez mais voltados para produtos sem plástico e continuamos a migrar para papel e madeira com certificação FSC. Tudo isso criando novas ideias que fazem sentido.

A cada ano e a cada nova estação, é preciso adotar uma nova mentalidade “vuja dé”. “Vuja dé” é como ver coisas familiares de uma nova maneira. Olhe na sua volta e veja o que está a mudar. Como pode usar melhor essa perspectiva para transformar ideias em algo criativo que faça sentido? Não temos certeza, mas há quem diga que se aprende melhor sonhando.

Agradecemos a nossa equipa interna de design, a **KDT**, por sonhar muito. Entre muitas coisas que criaram está a **KOBE**, uma linha de produtos para cães, que leva, claro, o nome do meu cão Kobe. A **KOBE** apoia a International Street Dog Foundation e, nesta primavera, apresentaremos sete novos produtos **KOBE**; um kit “dia de praia”, um kit “leve o seu cão para o trabalho”, um kit de viagem, um amuleto de identificação e dois brinquedos de pelúcia. Kobe faz todo o mundo feliz e adora brincar.

A **KDT** criou a maioria dos nossos novos produtos nesta estação. Um dos meus produtos favoritos são os nossos novos amigos de lavanderia. Deite esses monstrinhos pretos na sua roupa e eles vão pegar todos os cabelos e fiapos.

KIDOKI é uma linha de produtos para crianças a partir de 3 anos. Esta maravilhosa gama de produtos é concebida pela **Goodlines** do Reino Unido. O objetivo é oferecer às crianças algo divertido que melhore ao mesmo tempo as suas habilidades cognitivas e sociais. Nesta primavera, **KIDOKI** tem seis novos produtos: um mini conjunto de boliche de cogumelos, Piões Dizzy Monster, Discos voadores comida, uma nova abordagem do Bingo e muito mais.

A série **HUCKLEBERRY** é concebida pelos nossos amigos holandeses **Chris Koens** e **Ramon Middelkoop**. Esta linha de produtos, em pleno desenvolvimento, incentiva as crianças a brincar ao ar livre e a viver uma vida saudável, desfrutando de toda a bondade da natureza. **HUCKLEBERRY** apoia a Children & Nature Network, uma organização que tem a mesma missão: conectar crianças e natureza. **Chris** e **Ramon** criaram quatro novos produtos: Um kit que permite fazer pegadas em gesso, um bumerangue legal que você pode dobrar e colocar no bolso, um kit para fazer o seu próprio perfume de flores/ervas e para os artistas, criaram uma linda caixinha de madeira com tinta e papel especial para aquarela. Está comprovado que o **HUCKLEBERRY** funciona. Brincar ao ar livre é divertido e saudável para todos nós!

Hector Serrano da Espanha criou **CRAFTERS**, uma série de artigos de bricolagem. Temos dois novos produtos: Faça a sua própria xuxinha e faça um ramo de flores de feltro. **Hector** também criou dois Jogos da Memória com os temas Grandes Esportistas e Grandes Autoras.

A jardinagem não é boa apenas para a saúde, mas também para a alma. A **STE** da **WITH Creative** desenvolveu um novo Leaf Cleaner para as suas plantas, para que respirem mais facilmente e você as limpe mais facilmente. Estamos especialmente orgulhosos deste artigo, pois usa a tecnologia patenteada da Kikkerland com uma dobradiça magnética. No total, introduzimos seis novos produtos de jardinagem: um hidrômetro para plantas, uma régua de sementeira e plantador, uma casa de joaninha, um kit para fazer chá, uma cenoura de rega de terracota e uma divertida casa de clima faça você mesmo.

A **INKERIE**, criada pela **Goodlines**, é a nossa mais recente submarca de artigos de papelaria elegantes e funcionais. Ele combina nostalgia e funcionalidade e é destinado a rabiscadores e pensadores organizados. Estamos felizes e entusiasmados com esta nova e estilosa linha de artigos de papelaria. Os primeiros produtos **INKERIE** incluem um conjunto de escrita de viagem, uma caneta e lápis mecânicos, planejadores semanais, um planejador de mesa legal com abas e ímãs, uma linda caneta de mesa e bloco de notas, ímãs de memorando e uma divertida régua de metal. Todos os papéis e embalagens são FSC.

Muito obrigado a todos pelas suas contribuições e por apoiar a nossa causa. Espero que possamos nos encontrar em breve!

Hallo, welkom bij de lentecatalogus 2023 van Kikkerland. De Kikkerlandploeg heeft dit seizoen extra hard gewerkt en ik ben er trots op dat ons schip ook dit jaar weer heeft overleefd. Terwijl wij voorwaarts dobberen, hopen we dat u veel plezier zult beleven aan onze nieuwste ideeën en ontwerpen voor deze snel veranderende wereld.

Bij Kikkerland blijven we gericht op creativiteit en duurzaamheid. Onze ontwerpen en verpakkingen gaan steeds meer in de richting van plasticvrij en we blijven verder migreren naar FSC-gecertificeerd papier en hout. En dat allemaal met nieuwe ideeën die zinvol zijn.

Elk jaar en elk nieuw seizoen heb je nieuwe ‘vuja dé’ nodig. “Vuja dé”, dat is zoiets als bekende dingen op een nieuwe manier zien. Kijk om je heen en zie wat er aan het veranderen is. Hoe kun je dit perspectief het beste gebruiken om ideeën om te zetten in iets creatiefs dat zinvol is? We weten niet zeker hoe het zit, maar er zijn mensen die zeggen dat je het beste leert als je droomt.

We bedanken ons eigen ontwerpsteam, **KDT**, omdat ze zo veel dromen. Een van de vele dingen die ze hebben gecreëerd, is **KOBE**, een productlijn voor honden, vernoemd naar - natuurlijk - mijn hond Kobe. **KOBE** steunt de International Street Dog Foundation en dit voorjaar introduceren we zeven nieuwe **KOBE**-producten; een Dag Aan het Strand Kit, Een Neem je hond mee naar het werk Kit, Een Samen op weg Kit, een Identificatiebedeltje en twee pluche speeltjes. Kobe maakt iedereen blij en hij wil altijd spelen.

KDT heeft dit seizoen de meeste van onze nieuwe producten ontworpen. Een van mijn favoriete items zijn onze nieuwe wasmaatjes. Gooi deze kleine zwarte monstertjes in je wasgoed en ze vangen alle haren en pluïjes op.

KIDOKI is een productlijn voor kinderen vanaf 3 jaar. Deze prachtige productlijn is ontworpen door **Goodlines** uit het Verenigd Koninkrijk. Het doel is om kinderen iets te bieden wat leuk is en tegelijkertijd hun cognitieve en sociale vaardigheden verbetert. Dit voorjaar komt **KIDOKI** met zes nieuwe producten : een mini bowlingset met paddenstoelen, Dizzy Monster draaitollen, Food werpschijven, Bingo nieuwe stijl, en meer.

HUCKLEBERRY is ontworpen door onze Nederlandse vrienden **Chris Koens** en **Ramon Middelkoop**. Deze productlijn, die volop in ontwikkeling is, stimuleert kinderen om buiten te spelen en gezond te leven door te genieten van al het goede van de natuur. **HUCKLEBERRY** steunt het Children & Nature Network, een organisatie met dezelfde missie: kinderen en de natuur met elkaar verbinden. **Chris** en **Ramon** hebben vier nieuwe producten ontworpen: Een kit waarmee je voet- en pootafdrukken in gips kunt gieten, een coole boemerang die je kunt opvouwen en in je zak steken, een set om je eigen parfum te maken van bloemen/kruiden, en voor de kunstenaars maakten ze een prachtig klein houten kistje met verf en speciaal aquarelpapier. Het is bewezen dat **HUCKLEBERRY** werkt en bovendien, is buiten spelen niet leuk en gezond voor ons allemaal ?

Hector Serrano uit Spanje is de ontwerper van **CRAFTERS**, een serie doe-het-zelfartikelen. In deze serie hebben we twee nieuwe producten: Maak je eigen scrunchie en Maak je eigen boeket bloemen van vilt. **Hector** heeft ook twee Geheugenspelletjes met als thema's Toonaangevende vrouwen in de sport en in de literatuur.

Tuinieren is niet alleen goed voor de gezondheid, maar ook voor de ziel. **STE** van **WITH Creative** heeft een nieuwe Bladreiniger ontwikkeld voor je planten, zodat ze makkelijker kunnen ademen en jij ze makkelijker schoon kunt maken. We zijn bijzonder trots op dit product, omdat het gebruikmaakt van de gepatenteerde technologie van Kikkerland met een magnetisch scharnier. In totaal hebben we zes nieuwe tuinartikelen geïntroduceerd: Een vochtmeter voor planten, een zaailiniaal en pootstok, een lieveheersbeestjehuis, een theezetset, een terracotta bewateringswortel en een leuk weerhuisje dat je zelf in elkaar zet.

INKERIE, ontworpen door **Goodlines**, is ons nieuwe submerk van stijlvolle, handige schrijfwaren. Een combinatie van nostalgie en functionaliteit voor de professioneel georganiseerde krabbelaars en denkers. We zijn superenthousiast over deze stijlvolle nieuwe schrijfwarenlijn. De eerste **INKERIE**-producten bestaan uit een schrijfset voor onderweg, een mechanische pen en potlood, weekplanners, een coole bureauplanner met tabbladen en magneten, een prachtige pen en schrijfblok voor op het bureau, memomagneten en een leuke metalen liniaal. Al het papier en verpakkingen zijn FSC.

Iedereen hartelijk bedank voor jullie bijdragen en voor het steunen van onze zaak. Ik hoop dat we elkaar snel kunnen ontmoeten!

Kobe is our beloved office dog and family pet. He is also the inspiration behind our new line of dog products that celebrate the relationships we have with our trusted companions. Dogs teach us what matters most in life; to live in the moment, don't hold grudges, love unconditionally, play every day, and drink lots of water! For these and many more reasons to love dogs we support the International Street Dog Foundation who is dedicated to saving the lives of street dogs around the world.

A portion of Kobe sales supports:

NEW

Identification Charm

A fire hydrant collar charm with identification insert.
Design: KDT
Material: zinc alloy, paper, rubber
Packaging: card
Sold per 12
 Product: dia. 1,8 x 3,9 cm

DIY Cross Stitch Dog Collar

Customize your dog's collar with this DIY kit.
Design: KDT
Material: cotton, nickel plated alloy
Packaging: color box
Sold per 6
 Product: small 2 x 38 cm, large 2,5 x 48 cm

Tick Tool

Search and remove ticks! Easily remove ticks by squeezing them off in between the two front legs.
Design: KDT
Material: stainless steel
Packaging: card
Sold per 12
 Product: tool: 10 x 4 x 0,3 cm
 Carabiner: 5 x 2,5 x 0,6 cm

Poo Bag Carrier Dispenser

Easily attaches to dog leash. Uses standard poo bag rolls.
Design: KDT
Material: PU leather
Packaging: card
Sold per 12
 Product: 16 x 7,5 x 0,5 cm

Fake News Treat Bag

Foldable bag with drawstring closure.
Design: KDT
Material: PP, POM, Tyvek, oxford, soy ink
Packaging: card
Sold per 6
 Product: 12,7 x 19 x 1,3 cm

Fake News Water Bowl

Foldable bowl with carrying pouch.
Design: KDT
Material: Tyvek, soy ink
Packaging: card
Sold per 6
 Product: (Open) dia. 14 x 6,4 cm

Bath Kit

Bath time! Tin includes: lavender scented pet-safe shampoo, sponge, microfiber towel.

Design: KDT

Material: PU, PP, dog shampoo, microfiber

Packaging: color box

Sold per 6

Product: (Box) 15 x 16 x 6 cm

Dog Spa Kit

Pamper your Pup! Includes: wellness booklet, mini body massager, hair brush, nail file and a lint sponge.

Design: KDT

Material: PP, TPR, iron, sponge, aluminum, glass, paper

Packaging: tin

Sold per 6

Product: 10,8 x 15,2 cm

Eco Dental Care Kit

Tin includes: booklet, tracker, pet-safe toothpaste, bamboo toothbrush, and silicone finger brush.

Design: KDT

Material: bamboo, toothpaste, silicone

Packaging: tin

Sold per 6

Product: 10,8 x 15,2 cm

Dog Birthday Kit

Includes: recipe book, cookie cutter, hat, banner & confetti.

Design: KDT

Material: paper, iron, cotton, stainless steel

Packaging: tin / CDU

Sold per 12

Product: 7,3 x 10,4 x 3,2 cm

Welcome to the Family Dog Kit

All you need for your new dog: identification charm, dog whistle/clicker, collar light and new dog care guide!

Design: KDT

Material: ABS, PVC, iron, aluminium, paper

KIDOKI

KIDOKI is a new children's toy brand that encourages imagination, nurtures personality, and helps develop motor and coordination skills through interactive play.

Kikkerland Design developed KIDOKI along with our new friends at Goodlines, a design group based in England. This brightly colored, retro-inspired collection of games, toys, and tools includes a mix of classic twists and innovative new ideas. KIDOKI toys are targeted towards children aged 3+ and utilize fun shapes and textures that provide a tactile experience.

Sustainability was also top of mind when creating this collection. KIDOKI toys are made with only FSC certified wood. FSC certification ensures that products come from responsibly managed forests that provide environmental social and economic benefits. Additionally, the packaging used for all KIDOKI products is plastic-free, biodegradable, and attractive enough to be gift-ready just as it is!
